DESIDOC BULLETIN OF INFORMATION TECHNOLOGY

DESIDOC Bulletin of Information Technology endeavours to bring the recent developments in information technology as applicable to library and information science to the notice of librarians, documentation and information professionals, students and others interested in the field. It is published bi-monthly.

The articles published in the Bulletin are indexed/covered in *Library and Information Science Abstracts (LISA)* and *The Informed Librarian*. The Bulletin invites original research and review papers relating to information technology as applied to library activities, services and products. Intending author(s) may contact the Editors for further details regarding submission of the papers.
