DESIDOC BULLETIN OF INFORMATION TECHNOLOGY

DESIDOC Bulletin of Information Technology endeavours to bring recent developments in information technology, as applicable to library and information science, to the notice of librarians, documentation and information professionals, students and others interested in the field. It is published bi-monthly.

The articles published in the Bulletin are indexed in *Library and Information Science Abstracts (LISA)* and *The Informed Librarian*. The full text of *DBIT* will be reproduced in electronic databases of HW Wilson Company, namely, *OMNIFILE Full Text Select* and *OMNIFILE Full Text Mega*. The Bulletin invites original research and review papers relating to information technology as applied to library activities, services and products. Intending author(s) may contact the Editors for further details regarding submission of papers.
