To
The Editor,
Defence Science Journal

Sir,

Sub: Online submission of original research work for publication.

I am herewith submitting an original work carried out as part of research and development work

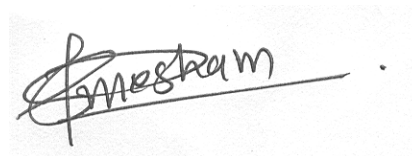

Title: Influence of Tool Tilt Angle on Material Flow and Defect Generation in Friction Stir Welding of AA2219

Authors: Suresh D. Meshram and G. Madhusudhan Reddy

- We also confirm the fact that the article is not under consideration for publication elsewhere.
- Each author has participated sufficiently in any submission to take public responsibility for its content.
- Publication is approved by all authors and tacitly or explicitly by the responsible authorities where the work was carried out.
- The author(s) or author(s) institutions have no conflicts of interest

I request you to kindly accept the work for publication in 'Defence Science Journal'

Thanking you,

A handwritten signature in black ink, appearing to read 'Suresh D. Meshram', with a horizontal line extending to the right.

Yours sincerely,

(Suresh D. Meshram)
