Rajiv Kumar Das
Scientist D
Assistant Director
Snow & Avalanche Study Establishment (SASE)
Him Parisar, Plot No.1, Sector-37A,
Chandigarh, India - 160036

21 September, 2009

Dear Rajiv Kumar Das,

We are pleased to give you permission to submit the following papers you presented at the symposium to whatever publication you choose.

DAS, Rajiv Kumar, Design of a New Contact-less Counter Type Tipping Bucket Rain Gauge and an Antifreeze-based Attachment for Measurement of Rain and Snow Precipitation.
Presented at the International Symposium on Snow and Avalanche, held in Manali, India.

DAS, Rajiv Kumar, Design of Snow Temperature Profilers for Measurement of Temperature Gradient in Seasonal Snowpack. *Presented at the International Symposium on Snow and Avalanche, held in Manali, India.*

I trust this is satisfactory.

Sincerely,

Magnús Már Magnússon
Secretary General
